To: All parties on the current service list in NRC Docket No. 63-001-HLW (Yucca Mountain License Application)

From: Kenneth P. Woodington *KW*  
Counsel for proposed Intervenor, State of South Carolina

Re: Consultation regarding attached Petition for Intervention

Dear parties:

I am sending you the attached proposed Petition for Intervention in the above case in order to consult with you as may be required by 10 C.F.R. § 2.323. The attached proposed Petition is in substantially the form in which we intend to submit it.

Because of potential timeliness issues, we intend to file this by about 2:00 p.m. Eastern time, on this Friday, February 26. I assume that many parties do not intend to consent to the Petition, but I would appreciate hearing, at a minimum, from any party who might be willing to consent to the Petition.
